

Here's what 9 out of 10 principals are saying about Friendship Fixer[®] ...

The lessons are **easy to teach**.

Students **know the 6 steps**.

Students are able to **resolve conflicts
more independently**.

Students are spending **less time in
conflicts**.

Educators have **more time for core
teaching**.

The **parent community is
supportive** of Friendship Fixer.

Friendship Fixer helps build **school unity
and a common language**.

Results are taken from faith-based schools that
have implemented Friendship Fixer within the
last 3 years throughout their campus.
